

Step in Right Direction SAI Glenmark TIDM Program

SAI swim academy was inaugurated with great fanfare on 14th May 2014 at Dr. Shyamaprasad Mookherjee swimming pool complex popularly known as Talkatora swimming pool at new Delhi by Shri Ajit Mohan Sharan, IAS, Secretary, ministry of youth affairs and Sports, Govt. of India with the Aim to produce swimmers of repute. The motto of the academy is "Aspire, aim and accomplish". Ms. Manjushree Roy, The Then Administrator, Dr. Shyamaprasad Mookherjee swimming pool complex and chief operating officer of this prestigious project has done a wonderful job by implementing the motto of the academy, "Aspire, aim and accomplish".

Presently, Ms. Sunita, Administrator & Chief Operating Officer

SAI National Swimming Academy Dr Syama Prasad Mookerjee Swimming pool Complex is taking keen interest.

In July 2016, SAI National Swimming Academy Dr Syama Prasad Mookerjee Swimming Pool Complex and Glenmark Aquatic Foundation (GAF) a non profit initiative by Glenmark Pharmaceuticals Limited collaborated and Introduced SAI Glenmark talent, identification, development & management (TIDM Program).

The SAI Glenmark TIDM is a nationwide initiative to propel the Sport of swimming in India to new heights. Working in close coordination with the Swimming Federation of India, our primary goal is to find students across India that exhibit exceptional athletic talent and offer them a student-athlete scholarship within SAINSA.

The program, overseen by Sports Authority of India and Glenmark Aquatic Foundation aims to provide world class coaching coupled with world class infrastructure and schooling requirements for students to enable them to concentrate on the sport. Utilizing a combination of statistical physical performance data, predictive models and most importantly coach feedback the programs fundamental objective is to

Pick the Right Talent

Provide all support to enable them to practice

Enable international event participation to get national glory

The SAI Glenmark Talent Identification and Management program is a one of its kind program aimed at producing International Champions from India. It is a fully residential program wherein the swimmers are housed in the Dr. SPM Swimming Complex Talkatora Delhi. A dietitian recommended diet is provided to all inmates.

The Dr. SP Mukherjee Sports Complex is a state of the art swimming complex comparable to the best facilities in the world. It has 3 climate controlled swimming pools with top notch facilities for dry land training as well. It was the first centre of excellence. Medical center with the Sports Medicine Doctor, Sports Psychologist, Physiotherapist, Nutritionist and Nursing Assistants, stationed in the complex. Boarding and lodging facilities for the swimmers is provided in the complex.

A certified nutritionist designs, monitors and improvises on the daily food intake for the swimmers. The centre ensures a balanced diet with vegetarian and non-vegetarian options. Dr Rajendra Prasad Sarvodaya Vidyalaya is a Government run school opposite to the pool complex in the President's Estate for English language instruction. Bal Bharati Public School located close to the complex is one of the best private schools in Delhi offers admissions to students in the program. Desktop with Internet.
